

## Great Seal Bible Tract

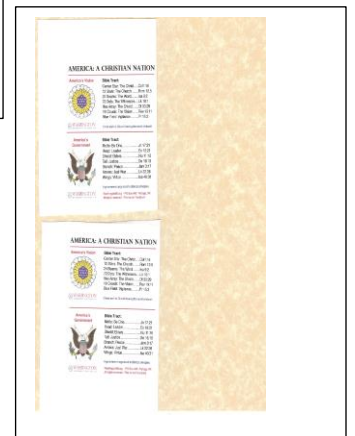

This easy to construct tract is an invaluable tool to learn of the 28 elements of America's Great Seal and the meaning of the elements. When used along with a dollar bill serves as a convenient conversation guide regarding the beliefs and values the founding fathers symbolized in the Great Seal and attached to the nation, wishing to pass on to future generations. In addition it serves in part as an introduction to the ACT 5 System of Management Training which employs the 28 elements as memory pegs for contemporary management terms and concepts.

## Instructions

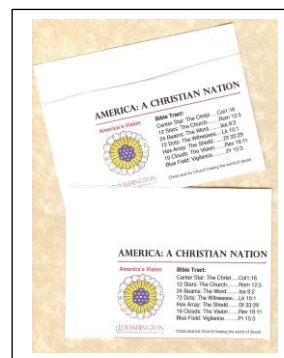

1. Fold paper in half through the length.

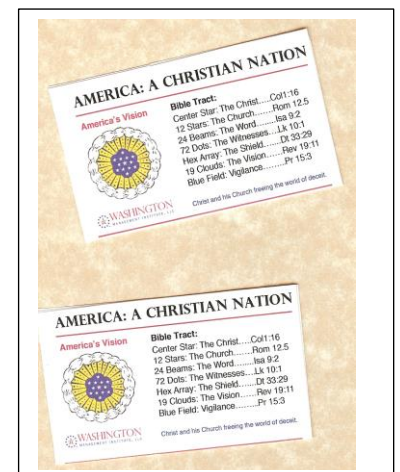

2. Cut folded paper in half through the width.

3. Fold tract in half along red line.

4. Trim with scissors leaving about ¼ inch.

# AMERICA: A CHRISTIAN NATION
